Please add your Special Projects not listed above on a separate sheet. Please expand on any of the above projects. Please give the volunteer hours on any activity. Please include any photos. As part of the narrative, please include: 1) Did members organize Welcome to Our Hometown Events? If so, what was most successful? What were any challenges? 2) What type of National Security activities and/or projects were done at units in your department that were not near a military installation?
